The Meaning of [Holistic Gynecology]

Here at Holistic Gynecology we address women's health on three levels-physical, emotional and spiritual. We believe that all three areas are important in maintaining good health and in treating health problems.

Dr. Callaway uses both conventional and natural medical approaches (nutrition, vitamins, herbs, exercise and meditation) to promote wellness and manage gynecological problems.

If you are working with another health practitioner, Dr. Callaway will be happy to follow your progress and let you know if your body is responding to your treatment plan.

She advocates the use of massage therapy, acupuncture, herbals and homeopathy, and will be happy to refer you to providers who offer these services.

ABOUT DR. CALLAWAY

Dr. Callaway has been practicing gynecology in the metro Atlanta area for 9 years. She attended the Medical College of Georgia and trained in obstetrics and gynecology at Georgia Baptist Medical Center.

OUR SERVICES

We offer a variety of routine gynecological services including:

- Wellness Exams

LATE POLICY

If you are more than 30 minutes late, we ask that you reschedule your appointment.

WHERE TO FIND US

from highway **78** East past Stone Mountain Park. Go through the first traffic light and drive approximately **3 miles** to the intersection of Highway 78 and Killian Hill Road. **Turn left** between the Chili's and Red Lobster onto Killian Hill Road. **Go another 2 miles** and turn right at Five Forks Trickum Road. Go through the next traffic light and immediately to the right there will be a stucco home like building with a black sign **(The Barnett Center)** and clock out front. **Turn right** into that driveway. Parking is available in the front of the building. If you are coming **West on Hwy. 78, turn right** at the Red Lobster onto Killian Hill Road and follow the directions above.

I-85

We are located at 3970 Five Forks Trickum Road, one block east of the intersection with Killian Hill Road. Look for a European stucco, home-like building with a black sign **(The Barnett Center),** at the Tom Smith Rd. Traffic light. Take the **Indian Trail Rd. Exit #38. Turn right if you are coming from Atlanta, turn left if you are coming from Lawrenceville.** The name changes to Killian Hill Rd. At the intersection of Lawrenceville Hwy. Go 5 miles to Five Forks Trickum Rd., turn left, then go a quarter of a mile. The building is on the right.
